**ORDER AUTHORIZING WORK-RELATED TRAVEL**

THIS CAUSE comes before the Court on the motion *ore tenus* of the Defendant, Rafael Rios, by and through his counsel, Robert G. Anderson, for authority to travel from his home in Elmhurst, Illinois, to Jackson, Mississippi, for the purpose of participating in meetings related to his work as a real estate developer. Counsel has advised the Court that Rafael Rios is engaged in a number of projects which include work with Sapphire Business Development and the Mississippi Development Authority in relation to proposed plant development projects within the State of Mississippi. Additionally, Defendant shall check in with Probation Officer Athena McInnis or such other supervising Probation Officer as she may designate upon his arrival in

Mississippi to advise that he is in Mississippi and to share similar details about the date(s) and purpose(s) of his travel into Mississippi.

2. While he is in Mississippi, Defendant shall remain subject to the same special conditions and hourly schedule which are in place as part of his home confinement in Illinois. Whatever his current curfew is pursuant to his home confinement in Illinois, that shall remain his curfew while he is present in Mississippi for these <sup>work</sup>-related travels.
